## FORM G-1: TARGET POPULATION AND INTERVENTION COVERSHEET

Complete the Target Population and Intervention Coversheet to summarize where PCPE-PCM services and EBIs will be provided to members of the targeted populations. Use the guide on the following page to complete this form and then use the Targeted Intervention Plan Form to detail your project plans.

| Target population BDTP Race/Ethnicity Se | Intervention | PlanningArea/Morbidity<br>Analysis Zone served | Counties to be served |
|--|--------------|--|-----------------------|
| ,  |              | •  |                       |
|  |              |  |                       |
|  |              |  |                       |
|  |              |  |                       |
|  |              |  |                       |
|  |              |  |                       |
|  |              |  |                       |
|  |              |  |                       |
|  |              |  |                       |
|  |              |  |                       |
